The kindergarten class had settled down to its coloring books. Willie came up to the teacher's desk and said, "Miss Francis, I ain't got no crayons." "Willie," Miss Francis said, "you mean, 'I don't have any crayons.' You don't have any crayons. We don't have any crayons. They don't have any crayons. Do you see what I'm getting at?" "Not really," Willie said, "What happened to all them crayons?"

There was a patient in a body-cast in the hospital. The fellow in the bed next to him asked, "What do you do for a living?"

The patient said, "I was a window washer at the Empire State Building."
"When did you quit?"
"Halfway down!"

Unhappy at the state of Evan's room, his mother came up with a new rule. Each time she had to pick something up off the floor of his room, Evan would have to pay her a dime. At the end of the week, she added up the chores and demanded ninety cents. Evan paid her and said, "Thanks, Mum. Keep up the good work!"

Eddie Joyce, married for several years, was troubled and went to see his pastor. "Pastor, I've got real problems at home with the woman you married me to, back in 1988." "Sorry to hear that, Eddie," the pastor said. "What seems to be the problem?"

"Money! The root of all evil, isn't it? All she wants is money. She keeps asking me for money! Money! Money!"

"Goodness sakes, Eddie... what does she do with the money you do give her?"

"How should I know, Pastor! I ain't never given her none."

On the day I got married, my uncle gave me his piece of personal wisdom.

He said: In the first year, the wife is obedient. She listens to whatever you say. So enjoy yourself.

In the second year, the role changes & the husband listens to his wife.

So it's her time to enjoy.

In the third & succeeding years, there are no more such roles. So the neighbors listen to what you shout at each other. And they enjoy.

If you are dog-tired at night, it may be because you growled all day.

This woman, who believed in natural birth, was having these abnormal contractions, went to see her Doctor. "Doc", she said, "I'm feeling these abnormal contractions". The Doctor took a listen, and said: "My dear lady, you're going to be having triplets!" Baffled, the woman asked: "How can you tell?" The Doctor responded: "I hear inside: "No, you go first!" "No, you go first!" No, you go first!"

Always remember these important rules when asking a man to do something:

1. Make sure the man is conscious.
2. Crash the hard drive on his computer and line the bird cage with the sports section.

An elderly man in Florida calls his son in New York. The father says to his son, "I hate to tell you, but we've got some troubles here in the house. Your mother and I can't stand each other anymore, and we're getting a divorce.

I've had it! I want to live out the rest of my years in peace. I'm telling you now, so you and your sister shouldn't go into shock later when I move out."

He hangs up, and the son immediately calls his sister in the Chicago and tells her the news. The sister says, "I'll handle this!" She calls Florida and says to her father; "Don't do ANYTHING until we get there! We'll be there Wednesday night." The father agrees. He hangs up the phone and hollers to his wife, "Okay, they're coming for Thanksgiving. Now, what are we going to tell them for Christmas?"

A man and wife were celebrating their 50-year anniversary, so the man bought his wife a \$250 see-through nightgown. Later that night she was getting ready for bed and realized the nightgown was still in the box downstairs. Walking naked through the house, she passed her husband who said, "My word, for \$250 they could've at least ironed it!"

If everyone would only
Laugh more and whine less
Hustle more and crab less
Work more and loaf less
Boost more and beef less
Give more and grab less
THE WORLD WOULD BE A
LOT BETTER.

Cat Prayer

Now I lay me down to sleep,
I pray this cushy life to keep.
I pray for toys that look like mice,
And sofa cushions, soft and nice.
I pray for gourmet kitty snacks,
And someone nice to scratch my back,
For windowsills all warm and bright,
For shadows to explore at night.
I pray I'll always stay real cool
And keep the secret feline rule
To NEVER tell a human that
The world is really ruled by
CATS!
